

FERRIS STATE UNIVERSITY  
ALUMNI RELATIONS, ANNUAL GIVING  
AND ADVANCEMENT SERVICES

Ms. Dominique Stalling  
Michigan Adjuster Association  
PO Box 41  
Fremont, MI 49412-0041

Dear Dominique:

Thank you for your gifts of \$1,000.00 supporting Michigan Adjusters Association Scholarship. In order to earn their degrees, students increasingly rely upon the kind of support you have so generously extended. On their behalf, I want to thank you for helping them fulfill their potentials to the fullest.

Helping people achieve their potential is at the very heart of Ferris State University's mission. Woodbridge N. Ferris founded the school at a time when loggers, subsistence farmers and their families saw the economic realities around them changing. A Ferris education has helped transform lives for almost 125 years now. Your contribution helps assure that this tradition will continue unabated.

More than a welcoming campus, well-appointed classrooms and laboratories, it is people who make a university great. Ferris State University has a dedicated and vibrant community of students, faculty, alumni and friends. As an important member of this community, you are helping to make possible brighter futures for Ferris students, their families, and the towns and cities where they live. Thank you again for sharing this vision and making it possible for thousands of Ferris students.

Sincerely,

Jeremy Mishler  
Director  
Alumni Relations, Annual Giving  
and Advancement Services
