Dear Mr. Bowne:

I wanted to thank you very much for selecting me as a recipient of the 2005 Michigan Adjusters Association Scholarship. Also, I appreciated the opportunity to be a guest at the seminar. Mr. Hubbel and I enjoyed the seminar and it was nice seeing a side to the insurance business that I have not been overly acquainted with beforehand. I look forward to furthering my education in Insurance & Risk Management. I thank you and the Michigan Adjusters Association for helping me along the way to a successful career in the insurance industry.

Best regards,

Dan Bonnell
